Good Morning,

I received your February request, but could not act on it since the minutes were not approved. I am in receipt of your request from March 6, 2018 and would offer you these audio minutes but I have not been trained on how to download these minutes. It was only last week that the actual transcribing software was installed on my computer. If you recall Ms. Jane Fontana assured me and the council that Aneta was to be doing this. Ms. Fontana stated that Aneta was not going to do it. I have been able to learn how to upload the recording, and just recently am able to hear them. You are welcome to come and listen to them.

Sincerely

Vic Baginski
Borough Clerk

Mr. Baginski:

I'm following up with my request for the January 22, 2018 Special Meeting audio tape. The original request was made on February 21. I have not heard anything from you on this matter.

Please advise.

Best,
Melissa Dabal
